## EXPERIENCE

### MASAI SCHOOL | WEB DEVELOPMENT INTERN

JUNE 2022 - MAY 2023 | Remote, India

- Developed proficiency in web development concepts such as HTML, CSS, JavaScript, React.js, Node.js, and Express.js during my internship at Masai School.
- I dedicated 300 hours to data structures and algorithms, and over 100 hours to soft skill development.
- Throughout my internship, I completed 80 mini projects, applying my coding skills to real-world problems and gaining practical experience.
- I participated in 10+ projects and hackathons, where I worked in teams to build complex software solutions under pressure.

### UPWORK | FREELANCER

Apr 2022 - Aug 2022 | Remote

- Built responsive and user-friendly websites and web applications from scratch using a range of tools and technologies.
- Maintained open communication with clients throughout the project to ensure their satisfaction and delivered high-quality work within specified deadlines.
